Monial Corn. Oct. 4. 1860.

My dear Dr. Gray,

I find myself once more in New England on my yearly visit, and after a few days in New York and New Haven intend coming to Boston and Cambridge. I understand that Harvard proposes to give in some way a reception to the Prince of Wales, and as an Alumnus should be glad to be a part on the occasion - Will you kindly let me know what is to be done and what day is fixed for it. that I may arrange to be present on the occasion - You will see

by the papers that I am not the
only Yankee who is prince-bittern
and perhaps we shall see the
founder of George III welcomed
weneat Lexington & Bunker's Hill.
If you will kindly tell me some
thing of the programme above
will reach me addressed to
Box 767. Post Office New York.
Please remember me kindly to
Mrs. Gay. I believe me to be
very faithfully Yours
J. Henry Hunt
